HOUSE PASSES NEW TAX BILL

Frankfort, Ky., March 4.—If the revenue and taxation bill becomes a law the State Tax Commission will be composed of the State Auditor, the State Treasurer and one man elected by the people. An amendment with that provision offered by Representative Green and H. C. Duffy, was adopted this afternoon by a vote of 48 to 17.

BEGINS NEXT SUNDAY

Third Street M. E. Church To Be The Scene of Stirring Religious Revival.—Rev. Bunton to Preach.

Revival services will begin Sunday at the Third Street M. E. Church. These meetings have been looked forward to for weeks by the members and friends of the church. Every preparation has been made that could possibly be made. Already folks are laying their plans to attend every night if possible. Not only this church but scores and hundreds of friends are looking forward to the coming of Rev. G. W. Bunton, who is to do the preaching. It has been six years since he was pastor in Maysville. Since leaving Maysville he has been pastor of Union M. E. Church, Covington, Ky., a church noted for its long line of eminent ministers. Just a few months ago the degree of Doctor of Divinity was conferred on Rev. Bunton by Chattanooga University. Rev. Bunton is not only a splendid pastor but an evangelistic preacher of much success. He just completed a series of meetings at Barboursville, Ky., which was conceded to be one of the best meetings ever held in that city. Rev. Bunton is a favorite wherever he goes. He has distinguished himself as leader of the young peoples' meetings at Rutgers Campmeeting for several years. The people will want to hear him. It will be a great meeting. The pastor and members are anxious that the whole community enjoy to the full this series of meetings and they extend a very warm invitation to everyone to attend. Everyone will be heartily welcomed.

PASSENGER RATES

In Kentucky To Be Reduced To 2 1/2 Cents Per Mile By Four Other Roads Besides the L. & N.

In order to compete with the Louisville and Nashville Railroad Company for passenger business in Kentucky, four other roads, the Southern Railway, Chesapeake and Ohio, Illinois Central and the Louisville, Henderson and St. Louis Road, will follow the lead taken by the Louisville and Nashville, and reduce their rates to 2 1/2 cents per mile between now and April 1.

The reductions of the other roads will apply, as in the case of the L. & N., to local or State business and, according to calculations made yesterday on the total mileage of the various lines, will mean a saving of at least \$800,000 a year to the traveling public.

The Chesapeake and Ohio mileage includes Louisville to Catlettsburg, 214 miles; Catlettsburg to Elkhorn City, 125 miles; Ashland to Cincinnati, 144 miles, and branches—Mt. Sterling to Rothwell, twenty miles; Garrison to Carter County, twenty miles, or a total of 526 miles. Passenger rates of the C. & O. from Louisville to Lexington, Lexington to Mt. Sterling, Lexington to Winchester, are now quoted on a basis of 3 cents a mile. To all these points the rate will be reduced to 2 1/2 cents a mile, inasmuch as that company uses the tracks of the L. & N. to these points and the L. & N. reduction is effective in this territory.

Already Below 3 Cents.

To some of the other smaller places mentioned, such as Catlettsburg, Ashland and Rothwell, however, it will not be necessary for the C. & O. to make any cut in passenger rates as they are now, in many instances, below 3 cents a mile.

The funeral services over the remains of the late W. H. Cummings took place this morning at 9 o'clock from St. Patrick's Church, burial in Maysville cemetery.

RESIGNS FROM REVENUE SERVICE TO ACCEPT BETTER PLACE.

Mr. Preston D. Wells of this city, who has been in the Revenue service in this district for several years, lately being stationed at one of the Frankfort distilleries, and residing with his family in that delightful capital, has resigned his position to accept the place of boss warehouseman in the George W. Baker Distilling Company at Frankfort. This position pays better and is much more satisfactory and permanent. However, it is to be regretted that Maysville is to lose Mr. Wells and his excellent family.

He hasn't had a photograph since that funny looking one in the cut-away coat that he was married in. ('Twas a noon wedding, you know.) Yes, mother says 'twas a good one of him as he looked THEN, but really, for the sake of the family, there should be one of him as he looks NOW.

Farmers

Have you ever tried our way of borrowing money to pay for a farm?

You, of course, know that most farms are sold for one-third cash and the balance of the payment is represented by lien notes due in one and two years. You also know that there are times when it is impossible to pay these notes when they become due.

Our specialty is lending money on good farms for LONG PERIODS. Would you rather have five years to pay the balance than two years? Any one expecting to buy a farm this March will do well to come in and consult us about getting the money.

We have been giving satisfactory service for 24 years.

ELECTRIC SIGNS!

The distinguishing air of quality which a first-class Electric Sign gives to a store is the element which gives a sign its greatest value as an advertising medium and investment. The impression it makes is good. It blazes forth to the public that there is business enterprise, merchandise and methods up-to-date. It affects the entire atmosphere of the business district. The stranger says, "It is a live town," and publishes it abroad.
